

Dear Charter Administrators, District Contacts and Stakeholders:

Pursuant to Section 1002.33(21) Florida Statutes, the Model Florida Charter School Application template is now available online at

http://www.floridaschoolchoice.org/Information/Charter_Schools/files/Model_Charter_App.pdf.

The template aims to assist potential charter school developers in addressing each of the statutory requirements for a charter school application. The model application was developed in collaboration with the National Association of Charter School Authorizers (NACSA), school districts, and charter school leaders.

If you have any questions, please contact Karen Hines-Henry at 850-245-0502.
